Russia: Copy of document which identifies representatives of the Stavropol Human Rights Center  
Research Directorate, Immigration and Refugee Board, Ottawa

In a 28 May 2004 telephone interview, a representative of the Stavropol Human Rights Center informed the Research Directorate that members of the Center are not routinely issued documents or cards that qualify their affiliation with the organization. However, the representative stated that in instances when a person's membership in the organization is pertinent, for example at court hearings, the Stavropol Human Rights Center has issued statements that identify the individual, their position and their responsibilities at the Stavropol Human Rights Center (Stavropol Human Rights Center 28 May 2004). Please find attached a copy of such a statement.

This Response was prepared after researching publicly accessible information currently available to the Research Directorate within time constraints. This Response is not, and does not purport to be, conclusive as to the merit of any particular claim for refugee protection. Please find below the list of additional sources consulted in researching this Information Request.
